August 29, 2002

Sir:

In the matter of the above-identified application, applicants are submitting herewith a translation of the International Preliminary Examination Report completed on October 10, 2001 regarding the PCT International Application filed on July 27, 2000. As can be seen, the International Preliminary Examination Report cited the prior art submitted with the international search report, and noted that the claims 1-4 of the PCT International Application "appear to be novel and to involve an inventive step, since they are not described in any of the documents cited in the ISR."

This information disclosure statement is being submitted, on information and belief, before the mailing date of a first office action on the merits.

It is respectfully requested that this information disclosure statement be considered by the Examiner.
